Thank you for being part of the 24th World Congress of Psychiatry (WCP24) in Mexico City! Over four dynamic days, you contributed to an incredible platform for collaboration, dialogue, and progress in mental health care. We hope you left feeling inspired, with new insights to advance your career and enrich your practice. Together, we explored the latest data, heard from leading experts, and expanded our professional networks—strengthening our shared commitment to overcoming challenges in psychiatry.

As part of the World Psychiatric Association, which unites 140 psychiatric societies across 120 countries and supports over 250,000 psychiatrists, your participation fuels global progress in mental health care.

Thank you for your active engagement and dedication to shaping the future of psychiatry!

Why Attend?

Program Highlights

Engage with our stimulating program featuring a variety of sessions and talks that tackle key issues in psychiatry and mental health, set against the backdrop of current scientific and technological breakthroughs.

Steering Committees

Comprised of distinguished and highly-regarded experts, the WCP 2024 Supervisory, Organizing, and Scientific Committees set the course for a groundbreaking event in psychiatry.

Global Inclusivity

WCP 2024 is designed with diversity in mind, attracting speakers and attendees from different backgrounds and offering a broad spectrum of insights and best practices from around the world.

Collaborative Networking

The event promises to unite international professionals across

various fields, from researchers and practitioners to device makers and healthcare providers, creating an unparalleled opportunity for collective learning and networking.
