## PRE-CONGRESS COURSES

- Courses are scheduled for 14 November.
- Courses require pre-registration which can be completed when [registering for the congress](#). Cost: early rate: \$65 / late rate: \$85
- If you've already registered for WCP24 and would like to join a pre-congress course, **you should have received an email from our registration department with instructions on how to sign up.**
- Courses will run if they have at least 12 participants registered. If a course has less than 12 participants registered, the organizers have the right to cancel it.

| Course name                                                                                        | Course director                              | Course description         | Course times |
