Extended Application Deadline: 14 September

Participant Information

If you would like to stay with a local during WCP24, you first need to:

- Be an Early Career Professional having no more than seven years elapsed since completing your specialist training.
- Be registered to the congress.

Please note that the programme runs on a first-come, first-served basis, depending on the availability of the housing opportunities. Once assigned to a home, you will need to discuss any changes in your travel days and details directly with your host.
